

Nearly New Consignment Sale Agreement

Thank you for consigning children’s clothes and other children’s related items in our twice-annual nearly new sale. This sale helps the YWCA to raise funds for important programs, helps local families save money by buying gently used items, helps local families earn money on items that their children have outgrown, and keeps thousands of pounds of useful items out of our landfills.

Nearly New Rules – violation of these rules will result in a \$10 penalty accessed against your consignment proceeds.

- 1) Only seasonal clothing may be consigned – off season items will be considered a donation to the YW. Seasonal clothing includes: Fall & Winter clothing in the Fall-Sale; Spring & Summer clothing in the Spring-Sale.
- 2) Only clothing for infants and children up to the age of 18 years old, as well as maternity clothing, will be accepted.
- 3) All clothing must be washed, folded and sorted by size.
- 4) Stained/torn clothing will not be accepted.
- 5) Items may not reference weapons, violence, alcohol or drugs.
- 6) Movies and related apparel must be Rated “G” or “PG”. Video games must be rated “E”.
- 7) No computer games can be accepted due to copyright issues.

Nearly New Processes and Fees

- 1) Consignment fees are as follows - \$3.50 for first 50 items, \$1.50 for each additional 50 items
- 2) The consignment income is split: 55% for consignor, 45% for the YWCA.
 - a. The YWCA portion of all sold items is considered a donation to the YWCA. You will receive a receipt with the amount of the donation along with your consignment check.
 - b. Items not sold will not be referenced as a donation.
 - c. Instead of consigning, you may make an outright donation of all of your goods to the YWCA. In this case, all items will be considered a donation. Please ask for a donation receipt when you drop off your donation.
- 3) Consignors **may not** tag their own items
- 4) Items, consigned or donated, may only be dropped off at posted drop-off times.
- 5) Consigners must accept the pricing established by the committee. These prices are based on our experiences at prior sales. If a consignor wants to set a price on a specific item, that must be discussed with a committee member at drop-off. Self-price items must be clearly more valuable than standard items of the same type (e.g. sleigh-bed style crib).
- 6) Items determined to be not-sellable by committee members will be put in the rummage pile outside of the gymnasium. These items are given away for free. We will do our best to notify consigners if a large or expensive item is deemed not-sellable, but there are no guarantees you will be notified. Once consigned/donated items have entered the gym, including plastic containers, they cannot leave the gym until everything has been tagged and placed on the tables for sale, or approved for the rummage pile as stained/torn.
- 7) Items not sold by the end of the day on Friday will be sold for ½ price on Saturday morning. Items not sold at the ½ price sale will be sold at a “bag sale” or given to other charities. Consignors receive no compensation or donation information for items sold at the bag sale or given to other charities. Consignors may claim unsold items between 5:00 & 6:00 PM on Friday to avoid losing half or all of the consignment income.
- 8) Consignors may not shop the pre-sale unless they volunteer for a minimum of 5 hours organizing for the sale. The pre-sale is for volunteers only.
